The Arts Mean Business!

Business and the arts are natural partners. ArtsKC Business Programs help businesses form meaningful partnerships with the arts while fostering the creativity of their own employees.

Our [programs and services](#) make the arts available to over 30,000 employees in 100 member companies. Companies large and small are experiencing the fun, creativity, and return on investments that involvement with the arts brings. Arts partnerships offer companies many opportunities to achieve business goals while at the same time enriching the quality of life in the Kansas City metropolitan area.

Are you ready to heighten your company's visibility, attract and retain talented employees, and build an economically viable Kansas City metropolitan area? [Learn about our 2009-2010 Business Investment Opportunities today!](#)
